A black and white cow stands in a field of tall grass, silhouetted against a bright, hazy sunset. The sun is low on the horizon, creating a warm, golden glow. The cow is facing right, and its body is dark against the lighter background. The overall scene is peaceful and natural.

The Remital West Production Sale
Saturday, October 12, 2013 - 1:00 p.m.
Olds, Alberta, Canada

Welcome to Remital West Building Quality With Form and Function!

Isaac, Emily, Zachary, Annette, Bryan

2012 World Hereford Conference Premier Breeder & Premier Exhibitor

We welcome you to the second annual Remital West Production sale. We would like to start out by thanking everyone who participated in last year's sale making it such a great success. It is an exciting time to be involved in the Hereford breed. The 2012 World Hereford Conference was a great success, 2012 Agribition and 2013 Denver shows were the most enthusiastic I have seen in years, the US and Canadian Jr. Nationals were both up in numbers of kids and animals. Great indicators of where the breed is heading. Now, more than ever is the time to catch the upswing, be involved, source the top cattle and meet the new folks starting up, together let's build a better Hereford breed.

Like last year's sale our goals and commitment remain the same. Since our sale is not large in numbers it is important that it is large in quality. We want to be the source you look to for herd sire quality bulls and donor quality females. In this sale you will find that almost every lot offered is from a donor female we have identified as elite mated to the top sires from our program or to elite sires

outside our program. As you view this year's sale offering we hope you find the individuals that would work for you. We want to be the sale that is worth your time and effort to attend.

We are very much a family run operation. The kids are more involved every year and it is great to have them take an active role. From all of us here at Remital West we want to take this time to invite you to the sale, allow us to show you some hospitality as well as enjoy a little Alberta fall weather. If we can be of any assistance please contact us.

If you cannot attend the sale but would like to participate please remember you can sign up with Live Auctions.TV or you can contact any of the individuals listed in this year's sale catalog.

We look forward to seeing you sale day.

It's not every day that a sire can produce grand champion sons at three major North American shows. This is what Wonder did! Denver 2013, WHC 2012, Toronto Royal 2012. He also sired the high selling bulls in the Sandhill Farms, NJW Polled Herefords, and Remitall West sales. His best testament though may be in his calving ease and the udder quality his first daughters in production have. Truly a sire to move the breed a head.

Can Doo 102Y has been used with great success here at Remitall West. He is moderate calving with offspring that possess a wonderful muscle pattern and profile. Can Doo was the 2012 WHC Reserve Grand Champion Bull. Used heavily again here in 2013 we are confident with the strong dam he has that he will be a sire of the future. Havana 33A represents one of the most exciting bull calves born at Remitall West to date. Study what he offers and you will see he is a stellar combination of profile, muscle expression, performance, markings, pedigree, and EPD's. His dam Marvel 78T is fast proving herself to be a dominant donor female in the breed, producing champions Game Day 74Y and Chicago 83Y. His sire Can Doo 102Y was the 2012 WHC Reserve Grand Champion Bull. What a great opportunity to be a part of a very special individual and future contender. Terms to be announced.

From the moment Whitney walked off the truck in 2010 after a 2500 mile ride she has been a family favorite. The kids immediately had plans to show her at the 2011 Jr. National where she didn't disappoint, winning Grand Champion Female. She also went on to win the 2011 Alberta Jr. show, the 2011 Canadian Western National and Reserve Champion Female at the 2012 Olds Fall Classic. Her bull calf Messier 75Z from 2012 is now seeing herd sire duties for Roland and Rosemary Beier. Messier weaned off with an amazing 136 weaning index ratio finishing first in his contemporary group. Her first calf as a two year old Yellow Rose 2Y is now in our donor program. Check out her feature bull calves by Wonder that sell as lots 7 & 8. Her natural heifer calf born in 2013 pictured here is one of our best. Whitney is a strong embryo producer and has averaged over twelve good embryos per flush. Sells bred June 14th to Remital Game Day ET 74Y.

Terms & Conditions

Terms: The terms of the sale are cash or cheque, payable at par at the sale location unless satisfactory credit or invoicing arrangements have been made prior to the sale. The right of property shall not pass until after full settlement has been made.

Delivery: Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold; therefore, buyers are urged to insure animals at full value.

Guarantee: The cattle will carry the guarantee as recommended by the Canadian Hereford Association. Remitall West stands behind all animals sold in the sale. Any defects will be announced.

Frozen Embryos: Due to different management practices, technicians and other factors, there is no guarantee on the conception rate of any frozen embryos. It is guaranteed that the purchaser will receive the number of embryos purchased and that said embryos are the mating listed in this catalogue. Only number one and number two grade embryos were frozen and they have been stored at an accredited storage facility.

Announcements: Announcements made by the auctioneer on sale day supersede any printed material.

Liability: The owners, their employees, sale staff & representatives accept no liability for any accidents that may occur (although this is rare at a cattle sale) and persons who attend do so at their own risk.

Real-time viewing and bidding is available from www.liveauctions.tv.
