# Welcome to Remitall West

## Building Quality With Form and Function!

Emily, Bryan, Isaac, Annette, Zachary,  
2012 World Hereford Conference Premier Breeder & Premier Exhibitor

We welcome you to the 2016 October 8th Remitall West Production Sale. A special thank you to all who attended or participated in last year's sale. It was a great success with new and repeat customers purchasing cattle and embryos across North America and Australia. This year's sale is highlighted by the first progeny of new herd sires Remitall W Start Me UP ET 7B the \$165,000 record selling bull in Canada in 2014 and Remitall W GD Waterloo ET 12B the total outcross sire for all North American bloodlines. These two young sires have left an impressive set of both bull calves and heifer

calves. We are looking forward to hearing your impression of them as well. This year's sale has something for everyone with future herd sire prospects, proven herd sires, fancy heifer calves, bred heifers, proven donor cows and embryos from our latest matings. The pedigrees offer exceptional quality and a great diversity in genetics. The Hereford breed is certainly revitalized and full of enthusiasm. The National Jr. shows in both Canada and the USA are a testament to this with the number of youth participating and the quality of the cattle showing. Many juniors outside the Hereford breed also come to these two powerful events and take part, it's cool to show a Hereford again.

The sale cattle can be viewed anytime prior to the sale and will be in the sale display pens on Friday October 7<sup>th</sup>. The sale will start October 8<sup>th</sup> at 1:00 p.m with complimentary lunch served ahead of the sale. If you are unable to attend but would like to participate real time bidding can be done through Live Auctions online service or bids can be placed by phone or through any of the sales staff listed in the catalog. If you have any questions or if we can be of any assistance please let us know.

Please note that the Genetics for Generations Hereford sale will be held Sunday in Vegreville, AB, plan to make it a Hereford weekend in Alberta.

We look forward to seeing you sale day!

Sweet Deal 12D is one of those unique individuals that grabs your attention the moment you see him. He is so dynamic in his muscle shape, width of pins, strength of bone and eye appeal. Certainly one of the top bull calves ever produced here at Remitall West. His strong parentage explains why Sweet Deal is the real deal. His donor dam Whitney 411W was the 2011 Canadian Jr. National and 2011 Canadian Western National Grand Champion female. His outcross sire Waterloo 12B was the 2015 Agribition Res. Jr champion bull and Olds Fall Classic grand champion bull. Sweet Deal 12D is a breed changer, his unique genetic package and superior muscling are unmatched. Full brothers also sell as lots 2 and 6.

*Selling ½ interest and ½ possession.*

**Remitall W GD Waterloo ET 12B sire of lot 1**

Waterloo 12B as a sire adds muscle, strength of bone and eye appeal to his progeny. He offers new and exciting genetics to the Hereford breed in North America. Waterloo 12B is owned with Glenrose Polled Herefords AB.

**Dorbay Miss Whitney 411W dam of Lot 1.**

Whitney 411W had a prolific show career and has been one of Remitall West's top donor females. Whitney's daughter Yellow Rose 2Y is also a top donor female and also has large influence in this sale. Whitney 411W progeny are featured as lots 1, 2, and 6.

Dream On 42D is a favorite amongst all of us here. He offers so many things we all strive for in a herd bull. He has that extra pigment, low birth wt., great mother, stellar EPD package all in a super phenotype and profile. His sire Start Me Up 7B is the \$165,000 record selling bull in Canada in 2014. Like his sire Dream On 42D is short marked and stout. Dream On 42D is a maternal brother to herd sires Closing Time 10B and Moondance 40B. He is also a maternal sibling to last year's high selling female Yellow Rose 11C at \$18,000 to Wooden Shoe Farms ID.

*Selling ½ interest ½ possession.*

**Remitall W Start Me Up ET 7B sire of lot 3**

2014 record selling bull in Canada at \$165,000 to Topp Herefords ND and Castle Polled Herefords OK. His first crop of calves are some of our best and are featured as lot 3, 5, 7, 12, 14, 17, and 29.

**Remitall W Yellow Rose 2Y dam of lot 3**

This super young donor female is a great female, she has that flawless udder quality, is easy doing, moderates birth, flushes well, awesome mothering ability, tremendous temperament, she just does it all! She is also the dam of feature herd sire lot 15.

Revenant 170D is a sensational young calf, his eye appeal, pigment, balance and stoutness all make him one of the best we've produced. Like his full brother Start Me Up 7B he stands out and is big time good. Revenant 170D will be very competitive in the Jr. bull calf division at the shows this fall. Can't begin to say enough about his dam Marvel 76Y, grand dam 78T, great grand dam 105N, so maternal, so powerful, what a great cow family.

*Selling full interest.*

**Remitall West Marvel ET 76Y dam of lot 4**

This powerful donor female is one of the most prolific we've produced. Her special progeny are featured as lot 4, 8, 9, 10, 18, 19.

**Remitall W Start Me Up ET 7B full brother to lot 4**

Start Me Up ET 7B was the 2014 Canadian record selling bull in Canada at \$165,000 to Topp Herefords ND and Castle Polled Herefords OK. Full sibs to Start Me Up ET 7B sell as lot 4, 8, 18, 19.

Marvel 13D is a powerhouse female with tons of natural fleshing ability. Marvel 13D is the epitome of a future donor cow. This heifer is super thick, deep bodied, smooth made and really fancy. Her pedigree needs no introduction as she is a full sister to the 2014 \$165,000 high selling bull calf – Remitall W Start Me Up ET 7B. This broody, fully pigmented heifer has all the tools to produce top quality progeny. Her full sister sells as lot 19.

**Remitall West Marvel ET 76Y** *dam of lot 18.*  
 A superior donor cow in the Remitall West herd. Marvel consistently produces great ones. She is beautifully uddered, powerfully made and deep bodied. Feature embryos out of Marvel 76Y sell as lot 47.

**Remitall Marvel 78T** *grand dam of lot 18*  
 A highly influential and maternal female in the Remitall West program. She has produced herd sires Game Day 74Y, Chicago 83Y, Havana 33A, Rio Lobo 26C, 50 Shades 12C and donor female Marvel 76Y.

**Remital West Marvel ET 76Y** *dam of lot 19*  
 A super donor female that continues to impress us with her maternal power and outstanding progeny.

Marvel 6D is a tremendous full sister to lot 18 and herd sire Start Me Up 7B; she has been a favorite here since birth! This heifer is a beautiful deep cherry red, thick made, smooth shouldered, easy keeping and fully pigmented all in a gorgeously balanced package. Marvel 6D is a highly maternal female and has future donor cow written all over her. She is the type of female we would love to have a whole herd of!

**Remital Marvel 78T** *grand dam of lot 19*  
 Marvel 78T is a true gem in terms of broodiness, udder quality, genetic strength and consistency of production.

Marvel 105D is a deep and smooth made, easy-keeping heifer. She certainly resembles her dam Marvel 78T who is the most influential female in the Remitall West herd. Marvel 105D's sire, Boyd Banker 0015 is renowned for his maternal strength. Marvel 105D offers you unlimited breeding opportunities with her outstanding pedigree and strong numbers. Full sister to last year's high selling bull at \$32,000 Remitall W 50 Shades ET 12C.

Remitall Marvel 78T dam of lot 20

You can easily see the quality and consistency that the Marvel 78T progeny have. Marvel 78T is a deep, big bodied and prolific donor female.

Remitall W 50 Shades ET 12C

Full brother to lot 20. 50 Shades 12C was the high selling bull calf in our 2015 sale at \$32,000 and was Reserve Senior Champion Bull Calf at the 2015 Canadian Western Agribition. Owned with Double J Polled Herefords and Jay Holmes SK.

Here is a very unique breeding opportunity, a full outcross mating from Australia! Shamrock 166D is an extremely fancy made heifer that offers great pigmentation and exceptional genetic makeup. This heifer is a maternal sister to the exciting herd sire Remitall W GD Waterloo ET 12B. Their dam, Shamrock C130 was the \$28,000 second high selling female in the Merawah dispersal and offers excellent udder quality and milk flow. The sire of Shamrock 166D, Calibre G74 is a trait leader for both growth and scrotal and was the 2013 Australian National Champion bull and \$90,000 high seller. A full sister to Shamrock 166D sells as lot 30. Don't miss this opportunity to add outcross genetics to your program!

*Merawah Shamrock C130 dam of lot 21*

A highly maternal donor cow that has produced herd sire Waterloo 12B.

Catalina 67D is quite possibly the fanciest heifer on offer! She is super stylish, sweet fronted and offers a gorgeous side profile and pigmentation. This heifer would be competitive in the show ring. The Catalina cow family is very consistent in udder quality and productivity. Catalina 67D's dam is a nicely uddered, hard working 2-year-old female and her sire, Victor 755T is a popular sire used for his maternal and calving ease traits. Strong numbers across the board and powerful genetics give Catalina 67D endless possibilities.

Every year we try to offer in this sale something very special from our elite proven females. This year we are excited to offer Bailey 78Y. Imagine the breeding potential this female offers with a +35 on milk and great numbers right across the board. Bailey is exceptionally sound footed, sound uddered and youthful. She is a consistent embryo producer that will give around ten per flush. She has produced 10 live calves for us to date with three daughters kept back for the Remitall West herd. Bailey's first daughter here sold for \$7500 to Medonte P.H. ON and she had two sons that sold for herd sire duty in last years sale to Rick Arthurs AB and Kevin Krebs AB. We believe the Start Me Up 7B sired heifer calf she has at side is simply outstanding, Bailey 121D is being retained to go back into the Remitall herd. Bailey 78Y has two feature sons in this sale that sell as lot 5 and 14 and embryos as lot 48. Bailey 78Y carries the very exciting mating to the bull getting rave reviews here at Remitall West, Remitall W Rio Lobo ET 26C, on June 27/16.

**Remitall W Far Cry ET 14C**

A really stout made low birth wt. son of Bailey 78Y that sold in last year's sale to Rick Arthurs AB.

What a tremendous bred heifer to start off this group! Marvel 157C is a deep-bodied heifer with massive spring of rib. She is powerfully made yet maintains a very feminine overall look. Her dam, Marvel 73Y is a perfectly uddered Wonder daughter. Marvel 157C offers a light birth weight of 78lbs but will not sacrifice on performance; only an April 26th heifer but had a 205 day weaning weight of 662lbs to index 101 in her contemporary group. Marvel 157C is backed by generations of highly influential females such as Marvel 120S and Marvel 125E. This is a tremendous opportunity to add a proven, sure-fire pedigree to your herd.

*Exposed to Remitall W BNC Hot Pursuit 47C May 17 2016 to August 16 2016.*

**Remitall Marvel 120S** grand dam of lot 32

A true powerhouse donor female that has left a lasting impact on the Remitall West herd. Marvel 120S was the winner of the 2012 World Hereford Conference Progeny of Dam class. She sold to OJJ Ranch, Idaho in 2012 for \$10,500.

Belle 128C is a very long made, clean fronted female that possesses a big hip and lots of rib. She is a maternal sister to Remitall West Belle 36B who was the Grand Champion Female at the 2016 Alberta Provincial Show and Champion Two Year Old Female at Bonanza 2016. Belle 128C's dam, Belle 132U is a powerhouse female with great udder quality and milk flow. Belle 128C certainly has a tremendous future!

*Bred April 30 2016 to Remitall W Rio Lobo ET 26C.*

*Exposed to Remitall W BNC Hot Pursuit 47C May 17 2016 to August 16 2016.*

**Remitall Belle 132U** dam of lot 33

A big hipped, deep made female that adds power and performance to her progeny.

**Remitall West Belle 36B** maternal sister to lot 33

A clean fronted, super feminine female with nice udder suspension and teat placement.

34

Rita 56C is a very powerfully made heifer with great pigmentation and teat placement. She possesses a big hip, lots of rib capacity and certainly has the potential to produce herd bulls and donor quality females. Rita 56C's dam, Remitall Rita 13T is one of the top donor females here at Remitall West and we are continuously impressed by her progeny. We believe that Rita 56C will be a valuable asset to any herd due to her high maternal traits and exceptional growth EPDs; Rita 56C's growth numbers are in the top 1% of the breed. Rita 56C was a class winner at Bonanza 2016 for Cassidy Dutton of MT.

Owned by Barb Sikora and Walter Larson, Olds AB.

Bred April 23 2016 to Remitall W Rio Lobo ET 26C.

**MHPH 521X Action 106A** sire of lot 34

A bull that adds extra thickness and shape to his progeny.

**Remitall Rita 13T** dam of lot 34

A very powerful and prolific cow in the Remitall West program. Rita 13T has a perfect udder and exceptional milk flow.

Here is a special and unique offering for this sale. Mavrel 105N sold in the Remitall dispersal to our good friends the McIver's from MN. Having witnessed here the influence her daughter Marvel 78T was having in our program we often talked about somehow acquiring something more from this great 105N female. Our chance came when the McIver's agreed to put Mavrel 105N into an embryo program. We brought to Canada 16 embryos and immediately got 10 implanted for ourselves of which we believe we have 8 or 9 pregnancies, the remaining 6 embryos we are offering to you. Sired by our new and exciting outcross sire Waterloo 12B, we believe this will guarantee to produce more individuals with the breeding power of Marvel 78T. New and cutting edge genetics! Take a hold here this is a one-time opportunity.

**Australian Group,** James Walters: 61-428-228-153  
**Barb Sikora,** Alberta: (403) 556-3197

## Terms & Conditions

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location unless satisfactory credit or invoicing arrangements have been made prior to the sale. The right of property shall not pass until after the full settlement has been made.

**Delivery: Canadian purchases:** Delivery can be provided at cost and at the buyer's option and risk. Instructions for delivery must be made at the time of the settlement. No cattle will be released until after the conclusion of the sale.

Each animal becomes the risk of the purchaser as soon as sold, therefore buyers are urged to insure animals for full value. Insurance will be available at the sale.

**USA purchases:** Remittal West will guarantee all cattle sold to the US to pass all health and export tests required to cross into the USA. Remittal will deliver all cattle sold to the US to either Shelby MT USA, or Billings MT USA at our convenience and our cost. Arrangements, costs and trucking from there on will be the responsibility of the purchaser. Remittal West will try to the best of their ability to ensure transportation of the sale cattle happens as smooth as possible for all parties concerned. It is our endeavor to have happy customers and to have the sale cattle arrive to their new destination safely. Each animal becomes the responsibility of the purchaser as soon as sold, therefore buyers are urged to insure animals for full value. Insurance will be available at the sale.

**Guarantee:** The cattle will carry the guarantee as recommended by the Canadian Hereford Association. Remittal West stands behind all animals sold in the sale. Any defects will be announced.

**Vaccinations:** Remittal West vaccinates all calves born here in June and again in September with Vista Once SQ and Vision 8 Somnus with Spur. All cattle at Remittal West are routinely treated with Ivomec Pour On and Safe Guard Crumbles for parasitic control.

**Frozen Embryos:** Due to different management practices, technicians and other factors, there is no guarantee on the conception rate of any frozen embryos. It is guaranteed that the purchaser will receive the number of embryos purchased and that said embryos are the mating listed in this catalog. Only number one and number two grade embryos were frozen and they have been stored at an accredited storage facility.

**Announcements:** Announcements made by the auctioneer on sale day supersede any printed material.

**Liability:** The owners, their employees, sale staff & representatives accept no liability for any accidents that may occur (although this is rare at a cattle sale) and persons who attend do so at their own risk.

Real-time viewing and bidding is available from [www.liveauctions.tv](http://www.liveauctions.tv).

Buyers must create an account at least 2 days prior to the sale.

Contact Shari Leachman at (306)-903-7289 or Brad Fahrmeier at 816-392-9241 if you have questions or require assistance.
