LOT C - IRON MAN 27M

REMITALL WEST

THE BELLE EFFECT

We welcome you to the “Belle Effect Vol. 2” Remitall West Production Sale. Like last year’s sale this special offering is heavily influenced by the Belle cow family and in particular the two great cows, Belle 36B and Belle 45F. These two females have done it all from being National Champions to producing champions to producing herd sires and donor females. We invite you to study the pedigrees and the influence these two females have on this offering and the opportunity it presents to add these genetics to your program. Whether it is a show heifer prospect, a jr. project, a herd building bred heifer, future donor female, cutting edge semen opportunity or joining with us on a great young herd sire prospect we feel we have it offered in this sale.

We are again making a very select offering of our popular Hereford Plus program with the addition of three elite bred heifers. The bulls we have been selling from this program are selling really well to our commercial customers. Reports back on these bulls has been very positive and our Hereford Plus program continues to expand. The Hereford and Angus cattle work so well together and the product they produce is a testament to this.

We are also including a super set of bred heifers from our Angus herd. These heifers carry the exciting mating to the young sire Remitall F Rainman 36L that we purchased this spring from Remitall Farms. We feel this is a great set of heifers. They are easy doing, sound footed and all have a quiet disposition. This group also contains the largest selection of heifers in Canada to sell sired by the breed leading Angus sire Sydgen Enhance.

Again this year the sale will have a 5:00 p.m MDT start time with a complimentary supper to follow the sale. We invite you to join us for this special event. If you have any questions please don’t hesitate to give us a call. The sale cattle will be on display all day Saturday at Remitall West for your viewing. Pasture tours are welcome any time prior to the sale. If you are unable to attend but would like to participate online bidding will be available on DLMS online bidding services.

Junior breeders qualify for a 10% discount on any sale purchases and Remitall West is a participant in the CJHA Heifer Lottery that includes both Hereford and Hereford Plus females.

Regards

Bryan, Annette, Isaac, Zachary & Emily Latimer

REMITALL WEST
THE BELLE **EFFECT**
VOL. 2 PRODUCTION SALE

TERMS

The terms of the sale are cash or cheque, payable at par at the sale location unless satisfactory invoicing arrangements have been made prior to the sale. E-transfers and money wires are also accepted on sale lots that are invoiced. The right of property shall not pass until full settlement has been made.

JUNIOR MEMBERS

Juniors qualify for a 10% discount on cattle purchased in the sale. The sale purchases must be transferred into the Juniors name at the time of settlement. Remitall West is also a participant in the CJHA Jr. Heifer Lottery.

DELIVERY - CANADIAN PURCHASES

Ontario and East, sale cattle will be delivered on Knill's Trucking at the buyer's expense. Western provinces, if possible and we are able we can deliver sale at the buyer's expense. Please make contact with us sale day if you will need assistance getting the cattle to your location.

DELIVERY - USA PURCHASES

Sale cattle purchases can be put on Knill's Trucking and delivered into the USA at the buyer's expense. Remitall West guarantees all sale cattle to pass any health requirements to any of the states in the USA except in the case where some states require females to be bangs vaccinated.

It is our endeavour to have happy customers and to have the sale cattle arrive at their new destination safely and in good health. Each animal does become the responsibility of the purchaser as soon as sold, therefore buyers are urged to insure animals for their full value.

VACCINATIONS

Remitall West vaccinates all calves born here in June and again in September with Vista Once SQ and Vision 8 Somnus with Spur. All cattle are treated routinely with Ivermectin and other Pour On's for parasite and Lice control.

GUARANTEE

The cattle will carry the guarantee as recommended by the Canadian Hereford Association and the Canadian Angus Association. Remitall West stands behind all animals sold in the sale. All sale animals are guaranteed to be free of any known defects unless otherwise stated in the catalog or at the sale.

FROZEN EMBRYOS

Due to different management practices, technicians and other factors there is no guarantee on the conception rate of frozen embryos. It is guaranteed that the purchaser will receive the number of embryos purchased and that the embryos are the mating listed in this catalog. Only number one grade embryos have been frozen and they have been stored at an accredited Embryo facility.

ANNOUNCEMENTS

Announcements made by the auctioneer on sale day supersede any printed material.

LIABILITY

The owners, their employees, sale staff and representatives accept no liability for any accidents that may occur at the sale, persons who attend do so at their own risk.

ONLINE BIDDING

Real time viewing and bidding is available through DLMS, www.dlms.ca. Please contact Mark Shologan at 780 699 5082 or 780 991 3025 if you have any questions or you want to set up a new account.
